

You use less of this in a **Fox & Jacobs** home.

You also get more square footage for the money.

More space that costs less to heat and cool. (30% less according to Florida Power!*) More energy saving features, like R-30 insulation and 12 SEER heat pump, that are standard...Is it any wonder that more new home buyers are buying Fox & Jacobs!?

Visit one of our new home communities in Central Florida today and see for yourself how it is that **more** really can cost **less!**

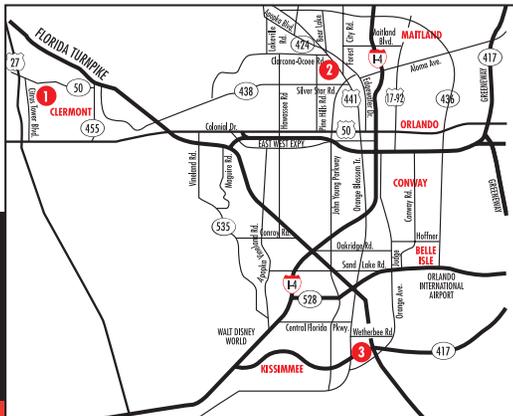

The Royale model.
2509 Square Feet
of Living Space
Plus 2-Car Garage
for **\$137,490!***

*Price in effect at Skyridge Valley.

*Qualifying homes at the ACT Premium/Energy Star level are 30% more energy efficient than Model Energy Code based homes.
